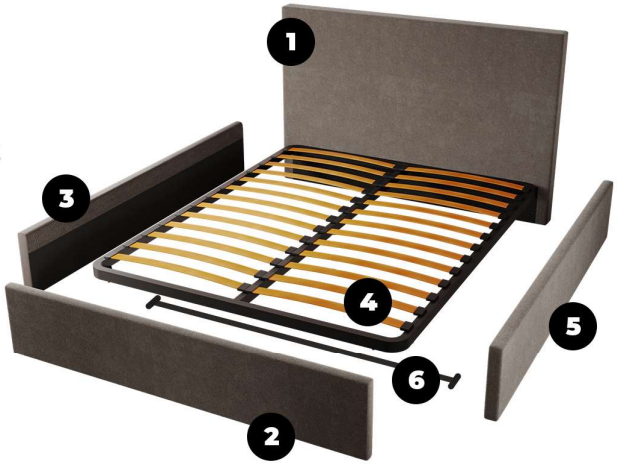
Schita de montaj
Pat tapitat cu somiera fixa

Schita este universala si pasii de montaj se aplica pentru toate modelele de paturi fixe.
Va rugam urmati toti pasii, montajul necorespunzator atrage dupa sine pierderea garantiei produsului.

Componente produs

1 - Capat mare / Tablie pat
2 - Capat mic
3 - Laterala stanga
4 - Somiera fixa
5 - Laterala dreapta
6 - Bara de sustinere



Feronerie cadru pat

coltar metalic
x 4 buc

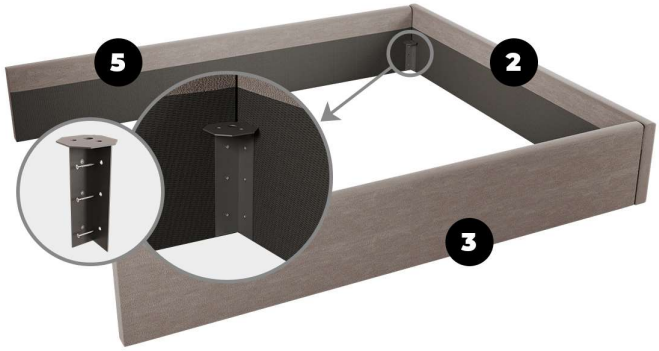
holsurub 5x30
x 28 buc

bara de sustinere
x 1 buc

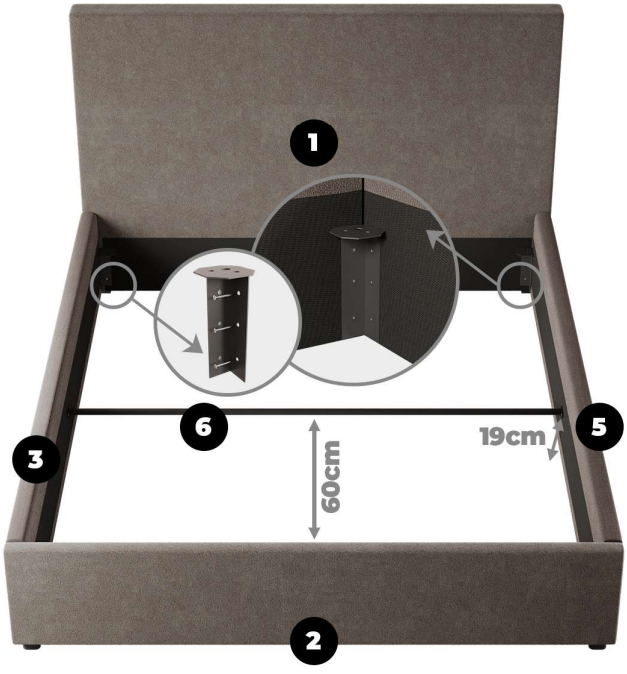
Este recomandat ca montajul sa fie facut in minim doua persoane.

Pasul 1
Se fixeaza laterala stanga (3) cu capatul mic (2) , la fel ca in figura de mai jos, folosind
1 x **coltar metalic** si 6 x **holsurub 5x30**

Pasul 2
Similar cu pasul 1, se fixeaza laterala dreapta (5) cu capatul mic (2) folosind
1 x **coltar metalic** si 6 x **holsurub 5x30**



Pasul 3
Se fixeaza tablia de pat (1) la cadrul de pat realizat in pasul 1 si 2, folosind
2 x **coltar metalic** si 12 x **holsurub 5x30**



Se fixeaza bara de sustinere (6) la cadru respectand distantele: 60cm fata de capat pat mic (2) si 19cm fata de partea de jos a lateralei.
Prinderea se face cu 4 x **holsurub 5x30.**
